CLOZE TEST TIPS & TRICKS

What is cloze test??????

A test in which one is asked to supply words that have been removed from a passage in order to measure one's ability to comprehend text.

THE HISTORY OF CLOZE READING TESTS

In 1953, Wilson L. Taylor
researched cloze tests as a means
of determining reading
comprehension.

Tips to handle Cloze test-

1- Read thoroughly: Read the passage thoroughly to get an idea of the passage. Read slowly and gain an understanding of the text. Once the theme of the paragraph is clear, it becomes easy to fill in the blanks.

2- Link the sentences together: Always remember, it is a passage, so the sentences are linked to one another. Never make a mistake of treating every sentence an individual one

Tips to handle Cloze test-

3- Type of word to fill in: Look at the blanks carefully and try to assess which kind of word to put in the blank. Words can be based on grammar, prepositions, tenses, vocabulary etc.

4- Tone: Passage may contain some specific tone like narrative, critical, sarcastic, humorous etc. So, always make a right choice of a word

Tips to handle Cloze test-

5- Negate options:

Sometimes, words are too close, eliminating wrong choices can help.

6- Key words: Pay close attention to key words/clues in the sentences before and after the given blank.

CLOZE *TEST 1*

Can we see (1) the earth is a globe? Yes, we can, when we watch a ship that sails out to sea. If we watch closely, we see that the ship begins (2) The bottom of the ship disappears first, and then the ship seems to sink lower and lower, (3) we can only see the top of the ship, and then we see nothing at all. What is hiding the ship from us? It is the earth. Stick a pin most of the way into an orange, and (4) turn the orange away from you. You will see the pin disappear, (5) a ship does on the earth

1. Option C

Can we see (1) the earth is a globe? Yes, we can, when we watch a ship that sails out to sea. If we watch closely, we see that the ship begins (2) The bottom of the ship disappears first, and then the ship seems to sink lower and lower, (3) we can only see the top of the ship, and then we see nothing at all. What is hiding the ship from us? It is the earth. Stick a pin most of the way into an orange, and (4) turn the orange away from you. You will see the pin disappear, (5) a ship does on the earth.

2. Option D
A. being disappeared B. to be
