- (4) to do ones best
- (5) No correction required

- **Directions (36 to 40) :** Fill in the blanks with appropriate words to make the passage meaningful.

- Depending upon how humanity chooses to use it, technology can enhance or (36) any aspect of life. The realm of interpersonal communication generally feels this impact first.

Many times throughout history, humanity has changed its modes of communication as society itself has (37). As people began to spread out geographically, verbal communication turned to writing to make it more (38). Then, people invented ways of carrying both conversation and written communication between their communities to keep in (39) with one another as travel became simpler. With the advent of the telephone, people began to wonder if picking up the receiver to call one another would eventually (40) out other forms of communication.

- 36) A) Depressed      B) Finish      C) Problem      D) Hinder      E) Featured

- Depending upon how humanity chooses to use it, technology can enhance or (36) any aspect of life. The realm of interpersonal communication generally feels this impact first.
