00:20

- (A) The blame for lacking creativity is, however, put on the present generation by the modern educationists.
- (B) The concept of homework began so that the pupils could revise that was being taught in the class.
- (C) By doing so, most of the schools took away the leisure time of the children.
- (D) Instead, these educationists should suggest lowering of burden of homework to the commission for educational reforms.
- (E) The purpose of this concept was, however, defeated when the schools started overburdening students with so-called homework.
- (F) Lack of such leisure time does not allow the children to develop creative pursuits.
