**Details About the Para Fillers or Para Completion / Sentence Completion.**

*Pre / Main*  
→

Para Completion or Para Fillers itself means the completion of missing paragraphs. Para Completion questions widely come in Competitive Exams. In Banking examinations, different trends have been observed, especially in the English section. It is a major subject where a lot of changes have been seen.

*go through*

## Steps for Solving Para Completion

**Step 1:**

Carefully read the given statement and try to fill in the missing word ~~without looking at the given options.~~

*Option Elimination.*

**Step 2:**

After you do this, match or replace the word with the one that you had thought of initially.

## Steps for Solving Para Completion

**Step 3: Read the sentence again, but now by filling the blank with the word that you have selected.**

*Just*

**NOTE: Make sure your picked word goes with the sentence correctly and smoothly.**

*(logically & grammatically)*

## Steps for Solving Para Completion

✓✓ Para - Read  
✓ Option Elimination

Step 4: Read the sentence one final time to make sure there are no grammatical errors in the sentence after filling the blank. Also, check whether the sentence is making the same sense or not after filling up the blank. We hope you found this article on Error spotting and Para fillers helpful and it provided you with the tips you will require to solve their questions. You must practice solving these questions from mock tests and boost your confidence for the final exams.
