WORD OF THE

DAY

The background features a white grid with teal and orange brushstrokes. The teal strokes are primarily on the left and top, while orange strokes are on the right and bottom. The grid lines are thin and light orange.

HELM

No use of article is there after ‘ what kind of’ and ‘ what sort of’ , ‘what type of’ ‘what variety of’ .

Examples :-

What kind of a boy he is

What sort of a novel it is

'The' is used before the name of commission .

Example –

- **The Simon commission is still functioning.**
- **The election commission is still counting the votes.**

If two proper nouns are compared we use definite article before the last proper noun

Example :-----

- i) Sachin is the Lara of India.**
- ii) Kalidas is the Shakespeare of India.**
- iii) Mumbai is the London of india .**
- iv) Abdul kalam is the newton of our country .**

It must be used before superlative degree

Example –

▪ **Rohit is the tallest boy of his school.**

BUT—

• **Shivam is the tallest and best boy of his school .**

• **This is the highest building in the new York .**

A' is used before some indefinite numbers. Like :-

- A lot of***
- A number of***
- A half of***
- A great deal of***
- A large number of***
- A quarter of***

- **A large number of people gathered in a hall.**
- **A great deal of sugarcane products was done by them.**
- **A half of the voters have not made up their minds**

'A' can be used before some indefinite collective numbers. Like

- **A gang of**
- **A team of**
- **A flock of**
- **A swarm of**
- **A bunch of**
- **A herd of**
- **A panel**
- **A pride of , etc.**

***A group of people was discussing about the accident .**

To make a common noun of a proper noun .
