Common Interview Questions

What is your biggest weakness?

My biggest weakness is getting so absorbed in my work that I lose all track of time.

Common Interview Questions

What is your biggest strength?

Be clear and precise. If you're a great problem solver, don't just say that: Provide a few examples

Don't just claim to have certain attributes -- prove you have those attributes.

Common Interview Questions

"Where do you see yourself in five years?"

"There are so many talented people here. I just want to do a great job and see where my talents take me."

Common Interview Questions

"Why do you want this job?"

Don't just talk about why the company would be great to work for; talk about how the position is a perfect fit for what you hope to accomplish, both short-term and long-term.

Common Interview Questions

"Why do you want to leave your current job?"

Don't talk about how your boss is difficult. Don't talk about how you can't get along with other employees.

Don't bad-mouth your company. Instead, focus on the positives a move will bring. Talk about what you want to achieve.
