A person is walking away from the camera on a wide, sandy beach. The sun is low on the horizon, creating a long, dark shadow of the person that stretches across the sand towards the viewer. The sky is a pale, hazy blue, and the ocean is visible in the distance. The overall mood is contemplative and serene.

Let's start

ARTICLE

No re-registration of old petrol, diesel vehicles

HC refuses to allow re-registration even if emission norms are within standards

ARTICLE

The Delhi High Court has **refused** to allow the renewal of the registration of petrol cars older than 15 years and diesel cars older than 10 years, even if the fitness and pollution **emission** norms are within the Automotive Industry **Standards**. The court, however, allowed the owners of vehicles whose registration has expired to apply for a No Objection Certificate (NOC) from the Transport Department of Delhi to sell their cars in other States that **permit plying** of such vehicles. The order, which was delivered by the High Court on March 25, came while rejecting the **plea** of a 72-year-old man who sought an **extension** of the registration of his 16-year-old petrol car **on the ground** that it was in perfect condition.

ARTICLE

Pentapati Pulla Rao, in his **petition**, **argued** that being a senior citizen he uses his car to visit hospitals, purchase medicines etc. within a radius of 5 to 10 km from his residence in Nizamuddin. But due to the registration of his vehicle being blocked, as it was over 15 years, he could not use the car. He added that being a senior citizen he could not get a loan to buy a new car. “Though the vehicle has completed 15 years, it has travelled only 20,000 km and is maintained in a very good fitness/running condition with low emission standards,” Mr. Rao said in his plea. He stated that due to the **blanket ban** on plying of old cars in Delhi “panic selling” of cars was taking place. Mr. Rao said that secondhand car traders were approaching him offering ₹25,000 to 30,000 for his vehicle, which was not a sufficient sum to help him buy a new car.

ARTICLE

In November 2014, the National Green Tribunal (NGT), **concerned over** the rising air pollution in Delhi primarily resulting from vehicular pollution, issued a blanket ban on re-registration of any vehicle over 15 years old. The tribunal, in April 2015, refined its order and said, “Petrol vehicles which are more than 15 years old and diesel vehicles that are more than 10 years old shall not be registered in the NCR, Delhi”. This direction is applicable to all vehicles including two-wheelers, three wheelers, four-wheelers, light vehicles, and heavy vehicles. A similar order was **reiterated** by the Supreme Court in October 2018. Later, in 2018, the Delhi government also issued a public notice saying that any such vehicle found plying on Delhi’s roads would be **impounded**.
