## Let's Understand Types of Noun

### PROPER NOUN

**Proper nouns** help distinguish a specific person, place, or thing. These words should be capitalized. The names and titles of things are always proper nouns, such as the brand name Starbucks and the personal name Jerry.

## Let's Understand Types of Noun

COMMON NOUN

Common nouns are words that refer to undefined or generic people, places, or things. For example, the country is a common noun that refers to a generic place while the word Canada is not a common noun because it refers to a specific place. E.g. house, cat, girl, foot, country

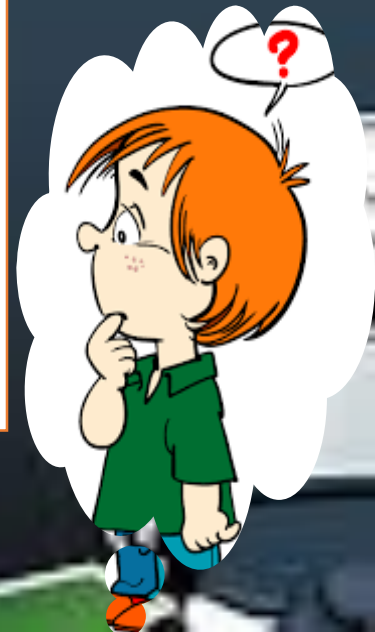

## Let's Understand Types of Noun

### ABSTRACT NOUN

Abstract nouns are intangible ideas that can't be perceived with the five senses, such as social concepts, political theories, and character traits. For example, the abstract noun anger refers to an emotion and the abstract noun courage refers to a quality a person has. E.g. love, creativity, democracy

## Let's Understand Types of Noun

### COLLECTIVE NOUN

A collective noun is a noun that functions as a singular noun while referring to a group of people or things. A collective noun refers to a group that functions as one unit or performs the same action at the same time. For example: crowd, flocks, committee  
**The team plays in the main gym.**

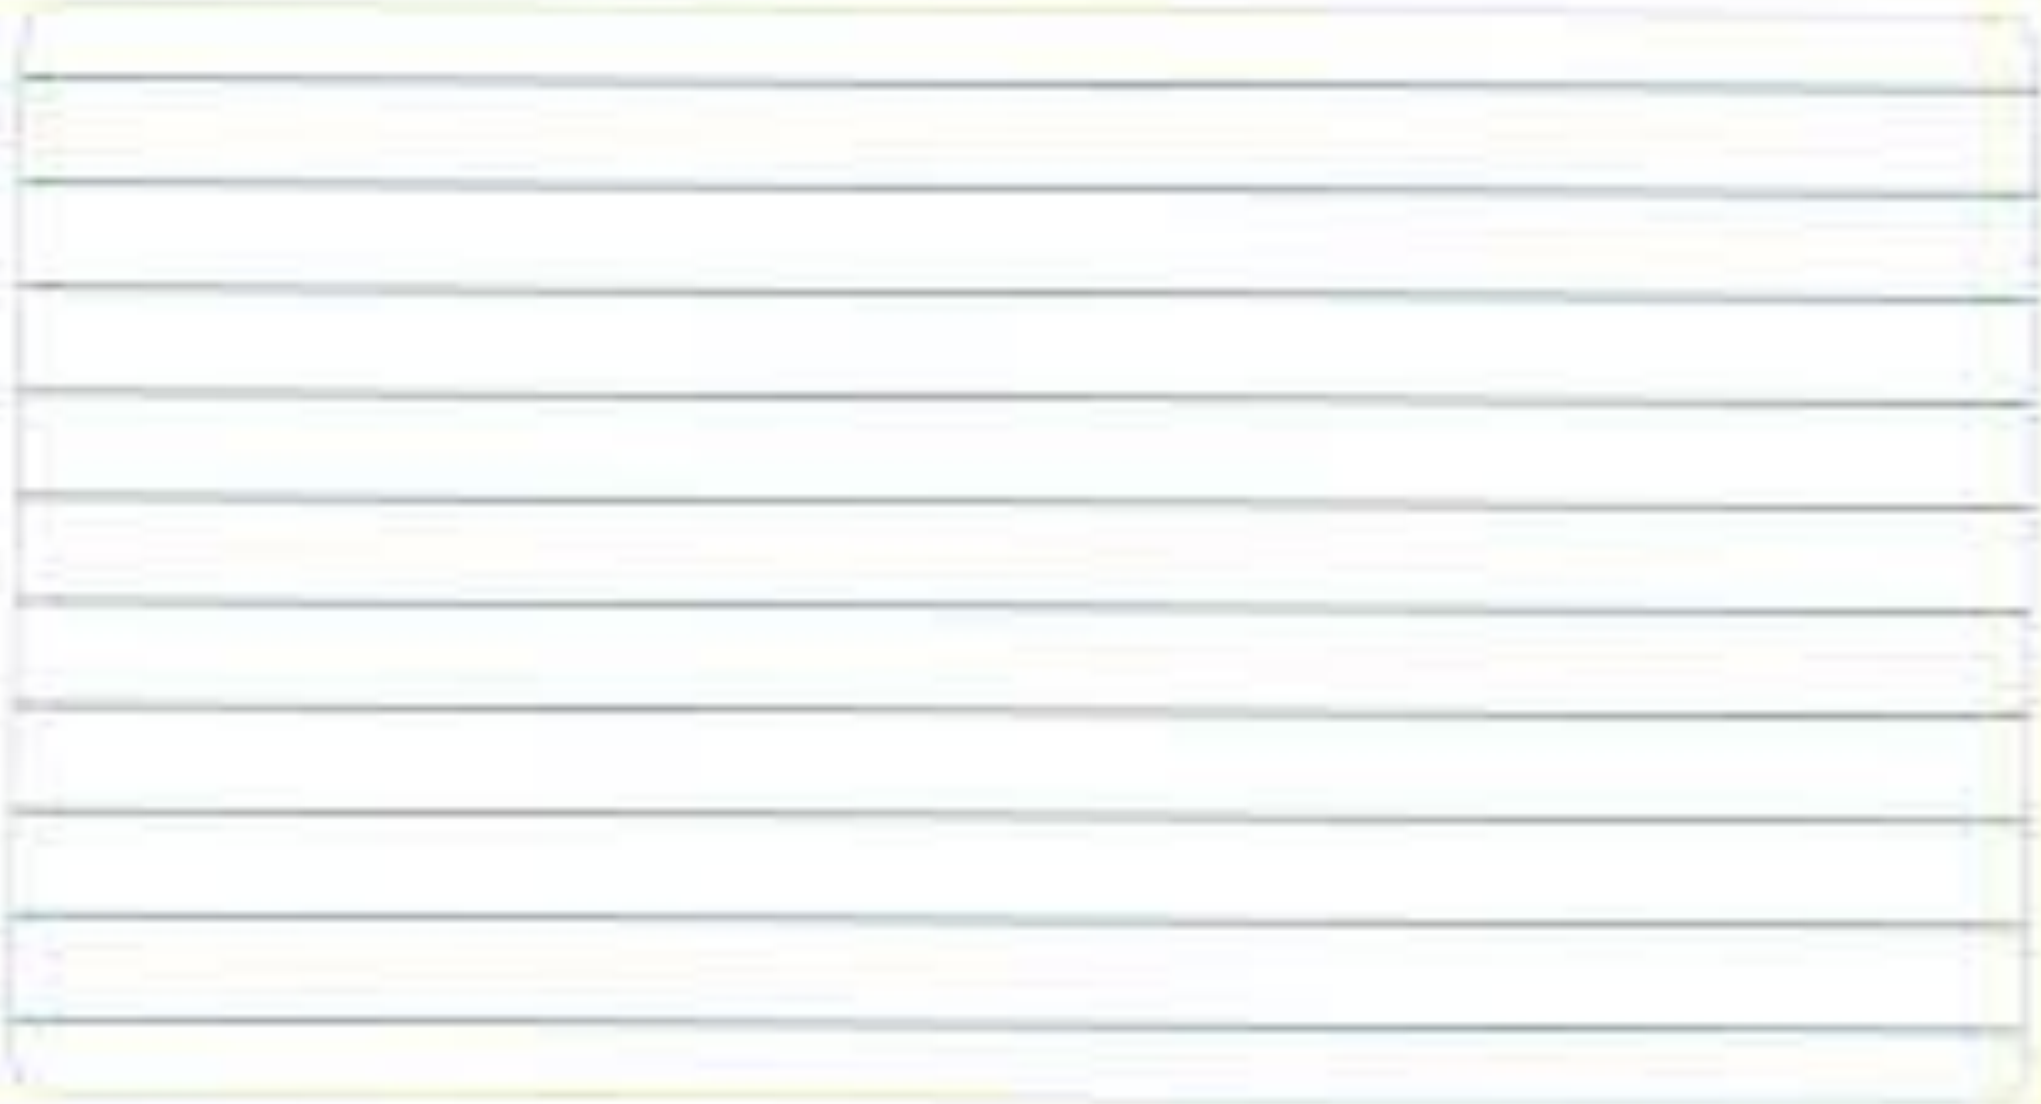

## Let's Understand Types of Noun

### MATERIAL NOUN

**Material nouns** are not countable means we cannot count them because they are in the forms of liquid, semi-liquid or solid. It is called as material noun because nouns in this class are almost materials like cloth, air, metal, gold, salt etc.

**Adding 's' to the  
nouns not always  
makes its plural  
form**

- 1. Mathematics are the science of quantity.**
- 2. Everybody now says that politics are not good for an honest person.**
- 3. Bad news travels fast.**
- 4. Mumps have been nearly eradicated in our country.**

# RULE 1

**Some nouns like Mathematics, physics, dynamics, ethics, linguistics, metaphysics, optics, economics, News, politics, Mumps, Measles, Rickets, Athletics, Mechanics etc. are in plural forms but used as a singular noun.**

gentry, poultry,  
cattle, people,  
infantry, cavalry,  
children

1. The children are playing in the field.
2. On large farms, cattle are usually marked with brands.

## RULE 2

**Some nouns looks singular but always used as a plural. And it is unwise to put “s” after them to make a plural.**

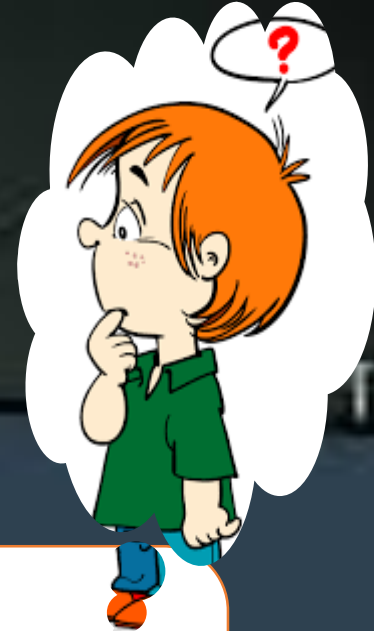

**deer, sheep,  
series fish,  
crew, team,  
jury, aircraft,  
counsel**

- 1. This cricket team is best for T-20 matches.**
- 2. The crew is large.**
- 3. All the crew were saved**

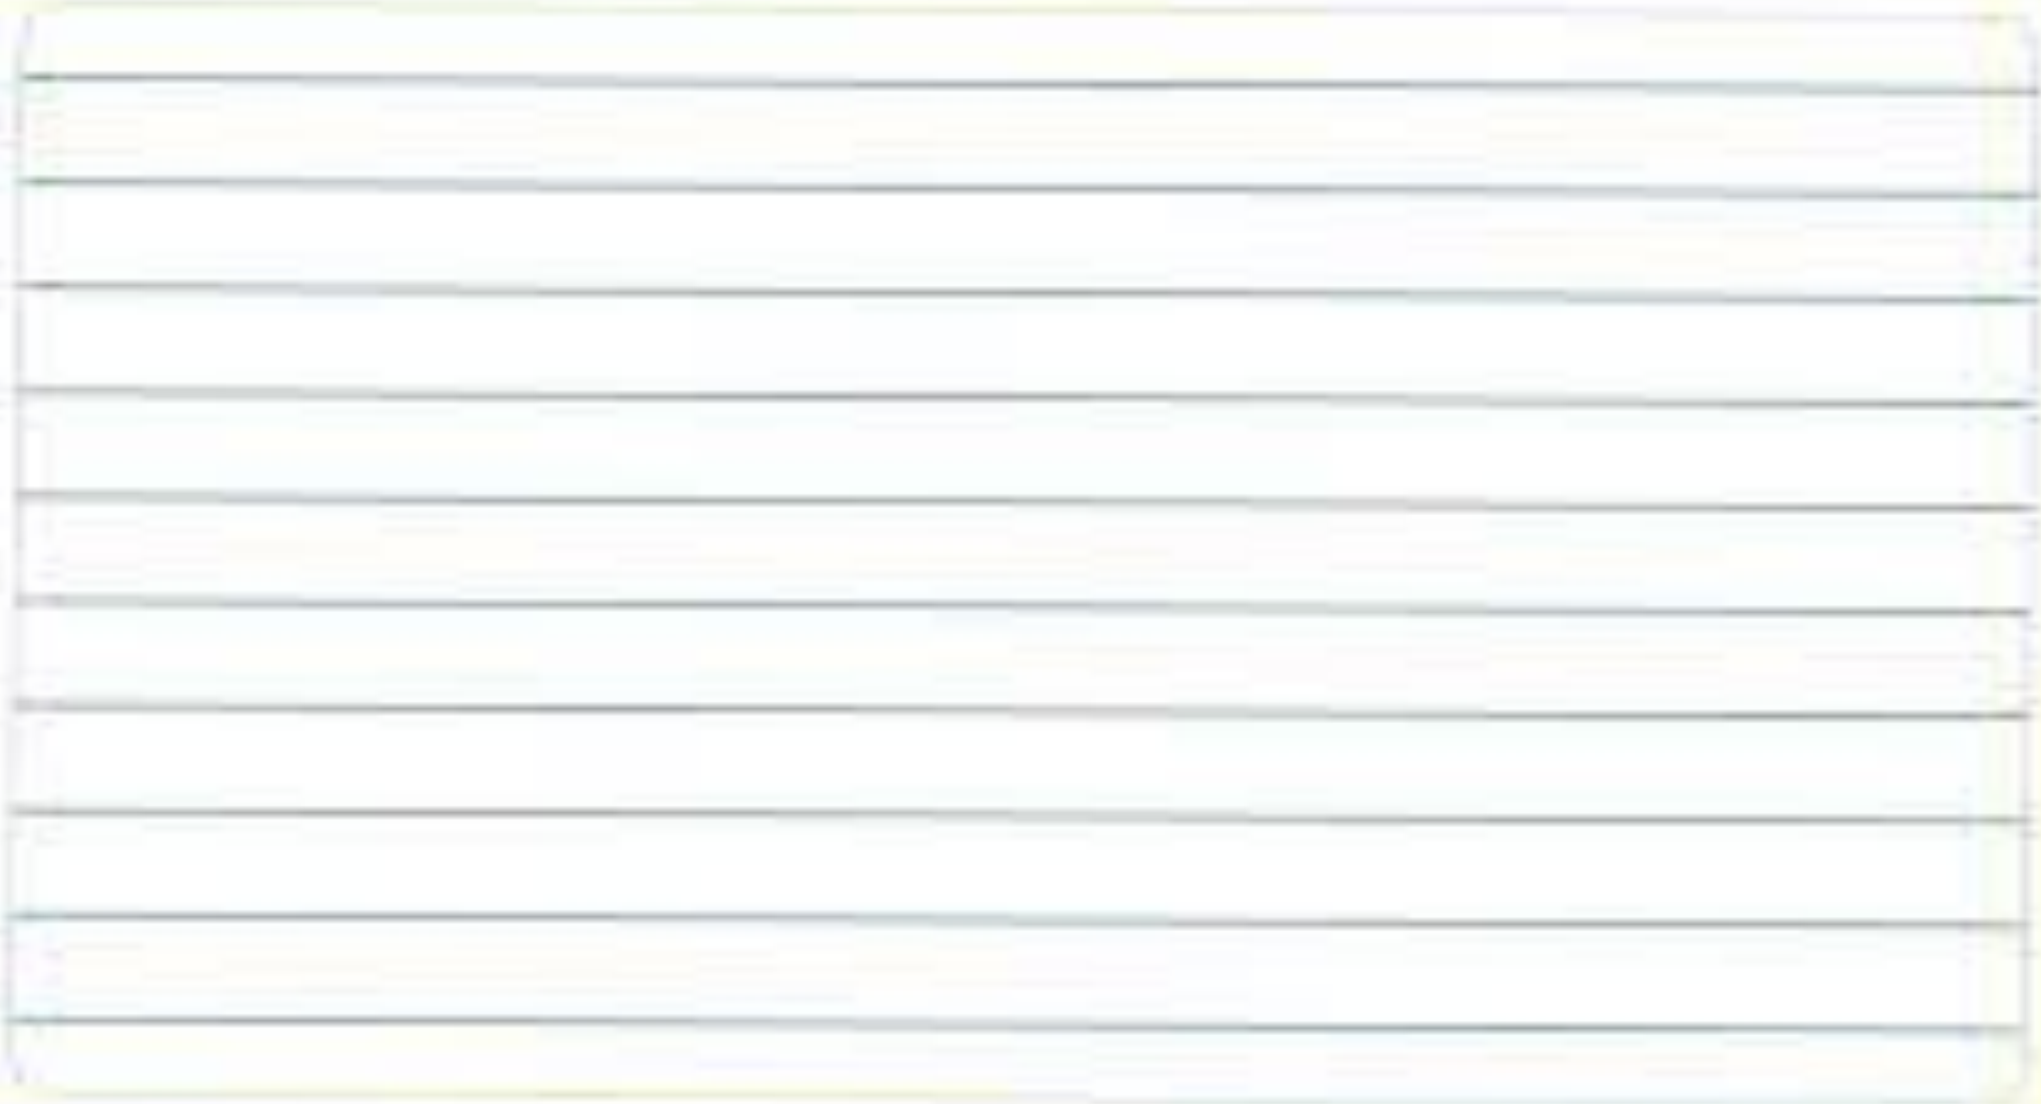

## RULE 3

Nouns like **Million, Hundred, thousand, pair, dozen, score, gross and couple etc.** that are plural in meaning take the same form in singular and plural only when they are used after definite numerals.

1. He bought two pairs of sleepers.
2. Ravi has four dozens bananas.

## Mistakes in Apostrophe Usage

### ***WHICH IS CORRECT?***

- ***MY MOTHERS CABIN IS NEXT TO HIS' CABIN***

***OR***
