You, John and I

SOLUTION : According to the rule 1 of uses of pronouns. 'You, he and I' is the correct order of pronouns that should be followed in this sentence

PRONOUN

(A) The police of Delhi/(B) is better/(C) than
any /(D) other state./(E) No error.

that of

The police of any other state

SOLUTION : 'That of' should be used between 'than' and

'any' since, we want to compare the police of Delhi with the police of all the other states and not with the states.

PRONOUN

Idiom: work late night

Preposition: I

(A) Was it / (B) only me who / (C) had to / (D) burn the midnight oil? / (E) No error.

Ident: Than (Subj), As (Subj), But (Subj), To be form of verb (Sub)

Obj.

SOLUTION : was it only I' should be used in place of 'was it only me'. Since, it is the interrogative form of 'It was only I', hence the rule of usage of subjective pronoun will follow

PRONOUN
