point wise X

- (a) Students are not always active in the class and they do not listen the class lectures attentively.
- (b) Online class learning is out of the budget for those students who are not economically strong enough.
- (c) Students are becoming less interactive day by day with each other which impacts on their mentality.

To cope ^{up with} this situation, we have to switch online mode to offline as soon as possible.

I will be really grateful to you if you look into this matter seriously.

Thanking you.

Yours faithfully

Subject : Construction of Road in Kalyani, Congress Road.

Sir,

I, Koushik Dhar, a resident of Kalyani, Congress road,
am writing to you in order to look on the problem
in my locality. Due to the bad condition of the
road.

the public school is so gathered

in my
road.

The Road leading to the public school is so gathered through out the day. It is the main road but there is are potholes everywhere on the road and there is no footpath. also. It's in very bad condition that is why people of our locality face problems during ~~most~~ going to their workplace. Vehicles can't ~~run~~ properly through this road, sometimes they stuck. A public school is situated on this road. So school students get irritated as they stuck here very often. That's why we want to draw the attention of the Govt. through this letter.

As the situation is not good, I request you to highlight it through your newspaper. So that Govt. will take action to recover this problem of bad condition of road.

Thanking You
Yours faithfully
Koushik Dhar.
