मिशन STATE 2023

Read the following passage carefully and answer the questions given below it.

मिशन STATE 2023

Many men and women are so money-minded that they do not undertake any serious work that does not pay. They believe that it is foolish to exert themselves for study and brain work which cannot be converted into cash. 'Hard work only for money, and then plenty of play and pleasure': this seems to be their rule of life. They value intellect only as of the key to material prosperity and regard personal mental development as a foolish fad. This miserable materialistic psychology is very deep-rooted in all classes of society. Rich and poor, all suffer from it. An old working woman complained to me of her

Nehru's was a many-sided personality. He enjoyed reading and writing books as much as he enjoyed fighting political and social evils or resisting tyranny. In him the scientist and the humanist were held in perfect balance. While he kept looking at social problems from a scientific standpoint, he never forgot that we should nourish the total man. As a scientist, he refused to believe, in a benevolent power interested in men's affairs; but, as a self-proclaimed non-believer, he loved affirming his faith in life and the beauty of nature. Children he adored.
