A. ACB

B. CAB

C. CBA

D. BAC

E. No rearrangement required

There have been **communities (A)** for reservation by **traditionally (B)** that are known to be politically dominant and are not **demands (C)** classified as “backward”.

A. BCA

B. BAC

C. CAB

D. CBA

E. No rearrangement required

Directions: In the following questions, five sentences are given. Rearrange these sentences to make a contextually meaningful paragraph then, answer the following questions.

- A. Here's a rundown of some useful Google gems that
- B. But those apps are just a hint of what this Internet behemoth offers
- C. Gmail, Google maps, and Blogger are used widely.
- D. By now, most know that Google is about far more than search.
- E. Under the hood of its famous search engine.
- F. You may not know about, but probably should.

The correct sequence is **DCBEAF**. The passage discusses Google and its apps.

- A.** They serve on the board of Groundwater Management District 3, which since 1996 has overseen the pumping of 16.2 trillion gallons of groundwater — enough to fill Lake Mead, the country’s largest reservoir, twice over.
- B.** And in some years, fewer than 100 people actually vote.
- C.** The board is elected, but not by everyone.
- D.** From a small brick building in Garden City, Kan., 13 men manage the use of groundwater across five million acres in the southwest corner of the state, some of the most productive farmland in America for corn, wheat and sorghum.
- E.** Others — cashiers at Walmart, teachers at the community college, workers at the local St. Catherine Hospital — have no say in the management of the aquifer on which they, too, rely.
- F.** The only people eligible to vote are large landowners, a group of less than 12,000 people in an area of roughly 130,000

Correct arrangement: DACFBE

THANK
YOU
