In the following passage, some of the words have been left out, each of which is indicated by a number. Find the suitable word from the options given against each number and fill up the blanks with appropriate words to make the paragraph meaningful and complete.

Close Test

India is witnessing the second wave of coronavirus. Days after health experts and some officials spoke about it; the confirmation of the second wave came from the highest office of the Modi government with the Prime Minister himself stating it. During an important, (1) virtual meeting with all Chief Ministers, PM Modi said that it was necessary to stop the 'emerging second wave' of the coronavirus. From (2) up the vaccination to increasing the RT-PCR testing (instead of antigen testing), PM Modi told the states to do whatever necessary to halt this viral surge. PM Modi also said that the states should focus on smaller towns as these places remain (3) the radar and can lead to an 'outbreak-like situation.' The meeting was not attended by West Bengal CM Mamata Banerjee and Chhattisgarh CM Bhupesh Baghel.

While 'Didi' reportedly conveyed that she was skipping the meet due to some pre-scheduled appointments, no message was released by the Baghel administration. Interestingly, Didi did raise the issue of 'free corona vaccine' at a poll rally in Bengal. It ___ (4) with the PM's COVID meet. So the big question is – will the total lockdown return? That only time will tell. PM Modi has clearly stated that there is no need to panic the citizens and mask discipline should come from within. However, he has asked the states to take whatever steps necessary. Maharashtra's State Surveillance Office Dr. Pradip Awate told the Indian Express on March 16 that it is in fact true that the entire nation is ___ (5) the second wave.

During an important, ^{serious} (1) virtual meeting with all Chief Ministers, PM Modi said that it was necessary to stop the 'emerging second wave' of the coronavirus.
