5. The furnitures will had

Fill in the blanks with the appropriate words.

Second World War

The instability created in Europe by the First World War (1914-18) set the stage for another international conflict—World War II—which broke out two decades later and would prove even more (1). Rising to power in an economically and politically unstable Germany, Adolf Hitler, leader of the Nazi Party, rearmed the nation and signed (2) treaties with Italy and Japan to further his ambitions of world domination. Hitler's invasion of Poland in September 1939 drove Great Britain and France to (3) war on Germany, marking the beginning of World War II. Over the next six years, the (4) would take more lives and destroy more land and property around the globe than any previous war. Among the estimated 45-60 million people killed were 6 million Jews (5) in Nazi concentration camps as part of Hitler's diabolical "Final Solution," now known as the Holocaust.

The instability created in Europe by the First World War (1914-18) set the stage for another international conflict—World War II—which broke out two decades later and would prove even more (1).
