In the following passage there are blanks, each of which has been numbered. These members are printed below the passage and against each, five words are suggested, one of which fits the blank appropriately. Find out the appropriate words.

One day my son called me after his exams. I could make out from his voice that he was (1) ___. “The exam did not go so well. It was not that know but I made a careless mistake.” I tried to (2) ___ him saying, “Don’t worry, you will do better next time.” He was not pleased to hear my words. “You don’t realise how competitive it is here and how difficult It is to (3) ___ anything.”

A few later I got another call from him. “A (4) ___ thing happened”, he said. “When I got my paper I saw that I had (5) ___ marks for the question I had answered incorrectly. My friends (6) ___ me to keep quiet as the Professor must have made a mistake. But you taught me the value of honesty so I emailed him saying I did not (7) ___ the marks.” His reply was more surprising. “It was (8) ___,” he said. “My interaction with you throughout the year (9) ___ me that you knew how to solve the problem. That is the reason I gave you those marks.”

I was happier about my son’s (10) ___ than his marks.

One day my son called me after his exams. I could make out from his voice that he was (1) ___.

Fill in the blank 1

1. Bother
2. Sad
3. Unwell
4. Distress
5. Confused

“The exam did not go so well. It was not that know but I made a careless mistake.” I tried to (2) ___ him saying, “Don’t worry, you will do better next time.”

Fill in the **blank 2**

1. Pity
2. Forgive
3. Console
4. Cheer
5. Sympathise

“You don’t realise how competitive it is here and how difficult It is to (3) ___ anything.”

Fill in the blank 3

1. Strive
2. Triumph
3. Succeed
4. Want
5. Achieve

A few later I got another call from him. “A (4) ___ thing happened”, he said.

Fill in the blank 4

1. Thrilled
2. Routine
3. Disastrous
4. Funny
5. Different

“When I got my paper I saw that I had (5) ___ marks for the question I had answered incorrectly.

Fill in the **blank 5**

1. Assigned
2. Awarded
3. Obtain
4. Received
5. Given

My friends (6) ___ me to keep quiet as the Professor must have made a mistake.

Fill in the **blank 6**

1. Suggested
2. Advised
3. Warn
4. Made
5. Recommended

But you taught me the value of honesty so I emailed him saying I did not (7) ___ the marks.”

Fill in the blank 7

1. Deserve
2. Qualify
3. Need
4. Receive
5. Justify

“It was (8) ___,” he said. “My interaction with you throughout the year (9) ___ me that you knew how to solve the problem. That is the reason I gave you those marks.”

Fill in the **blank 8**

1. Knowing
2. Mistaken
3. Oversight
4. Deliberate
5. Intend

“It was (8) ___,” he said. “My interaction with you throughout the year (9) ___ me that you knew how to solve the problem. That is the reason I gave you those marks.”

Fill in the blank 9

1. Persuade
2. Merited
3. Convinced
4. Proved
5. Informed

I was happier about my son's (10) ___ than his marks.

Fill in the blank 10

1. Value
2. Moral
3. Truth
4. Honesty
5. Potential

In the following passage, some of the words have made bold, each of which is preceded by a letter. Find the suitable word from the options given below that could replace the bold word so as to make the paragraph meaningful.

India's 'water crisis' took over social media recently. Usually, a delayed monsoon or a drought, (A) _____ with compelling images of parched lands and queues for water in urban areas raise an alarm in the minds of the public. Similarly, episodes of inter-State river water disputes catch public attention. (B) _____, this time, it was somewhat different. Videos and news reports claiming that Indian cities are running out of groundwater went viral. These news items could not have gained the traction but for the fact that they (C) _____ on a 2018 report of India's own Niti Aayog, which was titled 'Composite Water Management Index: A tool for water management.'

The Niti Aayog's projection was only a means to an end goal: leveraging some (D) _____ from the Indian States. The report's central goal was to propose a tool, an index, to monitor the States' water resource management strategies and provide the necessary course-shift, beyond supply augmentation approaches.

The report may have had a lofty goal of promoting ‘cooperative and competitive federalism’ but was, in reality, a desperate move to engage with the States, in the absence of any (E) _____ leverage to influence their approaches to water resources management. This also (F) _____ that the fulcrum of any course correction lies with States.

Yet, what (G) _____ us is the question: Just how did such ‘zombie statistics’ gain traction? This is disturbing as it shows there is an absence of (H) _____ engagement or institutional accountability. India needs to reconsider the institutional processes for dissemination of knowledge (I) _____ water resource management. There is a certain amount of danger inherent in the casual manner (J) _____ which knowledge about water resources is legitimised and consumed, particularly in these days of ‘viral’ information.

India's 'water crisis' took over social media recently. Usually, a delayed monsoon or a drought, (A) _____ with compelling images of parched lands and queues for water in urban areas raise an alarm in the minds of the public.

Fill in the **blank A**

1. Combined
2. Along
3. With
4. Multiplied
5. Exacted

(B) _____ , this time, it was somewhat different. Videos and news reports claiming that Indian cities are running out of groundwater went viral.

Fill in the **blank B**

1. Also
2. Similarly
3. However
4. Mostly
5. Notwithstanding

These news items could not have gained the traction but for the fact that they (C) _____ on a 2018 report of India's own Niti Aayog, which was titled 'Composite Water Management Index: A tool for water management.'

Fill in the **blank C**

1. Depended
2. Relied
3. Counted
4. Banked
5. All of the above

The Niti Aayog's projection was only a means to an end goal: leveraging some (D) _____ from the Indian States.

Fill in the blank D

1. Drama
2. Action
3. Process
4. Smooth
5. Working

The report may have had a lofty goal of promoting 'cooperative and competitive federalism' but was, in reality, a desperate move to engage with the States, in the absence of any (E) _____ leverage to influence their approaches to water resources management. This also (F) _____ that the fulcrum of any course correction lies with States.

Fill in the **blank E**

1. Subsidy
2. Monir
3. Help
4. Substantive
5. Perfect

The report may have had a lofty goal of promoting 'cooperative and competitive federalism' but was, in reality, a desperate move to engage with the States, in the absence of any (E) _____ leverage to influence their approaches to water resources management. This also (F) _____ that the fulcrum of any course correction lies with States.

Fill in the **blank F**

1. Referred
2. Results
3. Dominates
4. Highlighting
5. Underscored

Yet, what (G) _____ us is the question: Just how did such 'zombie statistics' gain traction?

Fill in the blank G

1. Baffled
2. Ensures
3. Hardens
4. Enlightens
5. Irritates

This is disturbing as it shows there is an absence of (H) _____ engagement or institutional accountability.

Fill in the blank H

1. Engage
2. Critical
3. Unused
4. Must
5. Condemn

India needs to reconsider the institutional processes for dissemination of knowledge
(I) _____ water resource management.

Fill in the **blank I**

1. About
2. For
3. With
4. Or
5. And

There is a certain amount of danger inherent in the casual manner (J) _____ which knowledge about water resources is legitimised and consumed, particularly in these days of 'viral' information.

Fill in the blank J

1. On
2. In
3. Into
4. Inside
5. Under

**THANK
YOU**
