Direction: In each of the questions, a sentence has been split into five parts denoted by (1), (A), (B), (C) and (D). Rearrange the parts (A), (B), (C) and (D) to make the sentence both meaningfully and grammatically correct. Of the combinations of the parts (A), (B), (C) and (D) given against the sentence select the combination which makes the sentence both meaningful and grammatically correct as your answer. If the given sentence is correct as it is, select “No arrangement required” as your answer. Ignore the errors of punctuation, if any.
