In the question below, a sentence is divided into four parts out of which one part has an error in it. Find the part with error and mark that as your answer.

Error Detection

Facilities that are (1) free are now (2) being priced based (3) on the market principles (4).

- 1. 1
- 2. 2
- 3. 3
- 4. 4
- 5. No error

Handwritten notes: "was" and "past" with arrows pointing to the sentence.

To Someone

We are still unable (1)/ to control pollution and this reveals (2)/ the system's failure, which has (3)/ been responsible to climate change(4).

Accountable

Responsible

Answerable

for

thing

prep.
for

1. 1

2. 2

3. 3

4. 4

5. No error

We all agree (1)/ that air pollution is (2)/ a problem and (3) know many of the solutions (4).

Plural

1. 1

2. 2

3. 3

4. 4

5. No error

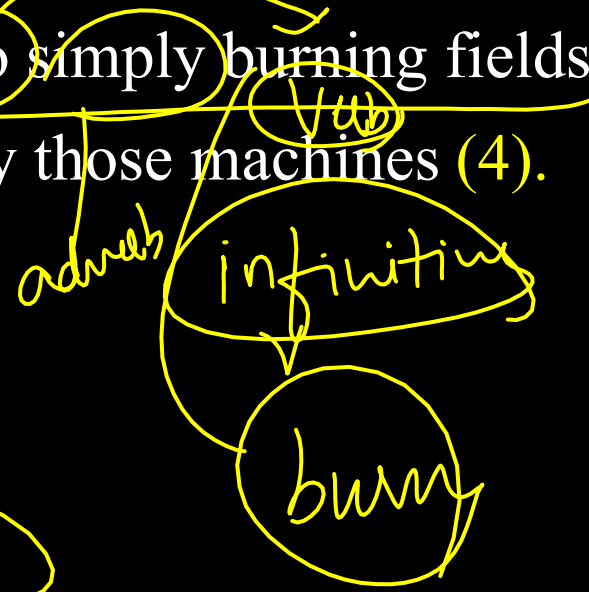

Sub Plural → Indian banks ^{Verb (Plural)} have to (1) / be more pro-active (2) ^{Prep} in ^{Prep} adoption technology (3) / to attract the customers (4).

adopting

- 1. 1
- 2. 2
- 3. 3
- 4. 4
- 5. No error

It is still cheaper and (1)/ more convenient for farmers (2)/ to simply burning fields with stalks (3)/ than to rent or buy those machines (4).

- 1. 1
- 2. 2
- 3. 3
- 4. 4
- 5. No error

A passage is given below with six blanks. You have to choose, among the given options, the best possible alternative for each blank.

Close Test

Our history is also full of great achievements in the arts and sciences; in both fields, we have attained great heights. Looking back, man started as a hunter-gatherer living in caves. Gradually, he learned the art of agriculture and began to grow multiple crops. Scientific research (1) in various fields and we entered the industrial age, which brought about a major (2) change in communications and transport, besides steel manufacturing and electricity production. Man moved on and today we are in the (3) of an IT revolution as well as artificial intelligence, which are bringing about (4) shifts in our lives. We have (5) beyond our planet and are exploring the Moon, Mars and the stars. In the arts, we have new forms and mediums, which are spreading throughout the world. There is a great deal of experimentation taking place in these fields.

Scientific research _____ (1) in various fields and we entered the industrial age, which brought about a major _____ (2) change in communications and transport, besides steel manufacturing and electricity production.

Select the most appropriate option in **blank no. 1**

to suggest

1. alluded

2. regress

to move backward

3. progressed

4. inhibited

to hinder

5. None of these

Scientific research _____ (1) in various fields and we entered the industrial age, which brought about a major _____ (2) change in communications and transport, besides steel manufacturing and electricity production.

Quality

Select the most appropriate option in **blank no. 2**

- ~~1. structural~~ — *arrangement*
- ~~2. qualitative~~
- ~~3. retard~~ — *delay*
- ~~4. explicit~~
- 5. None of these

Man moved on and today we are in the _____ (3) of an IT revolution as well as artificial intelligence, which are bringing about _____ (4) shifts in our lives.

Select the most appropriate option in **blank no. 3**

1. periphery — edge of something
