QUESTION TAGS

मिशन SSC 2023

ENGLISH

TAG QUESTIONS

It's nice, isn't it?

You like it, don't you?

I'm amazing, aren't I?

are you?
was she?
do you?
did she?
have I?
had they?
will you?
should I?

QUESTION TAG

mustn't he?
won't she
hadn't we?
haven't they?
didn't he?
don't they?
wasn't he?
isn't it?

We use question tags at the end of statements to ask for confirmation.

They mean something like: "All right?" or "Do you agree?".

- Structure:**
- A positive statement + A negative question tag.
Example: You are a technician, aren't you?
 - A negative statement + A positive question tag.
Example: You are not a technician, are you?

मिशन SSC 2023

ENGLISH

Question tags are short questions at the end of statements.

**They are mainly used in speech when we want to:
confirm that something is true or not, or to encourage a
reply from the person we are speaking to.**

मिशन SSC 2023

ENGLISH

A positive statement is followed by a negative question tag.

Jack is from Spain, isn't he?

Mary can speak English, can't she?

If there is an auxiliary verb in the statement, we use it to form the question tag.

I don't need to finish this today, do I?

James is working on that, isn't he?

Your parents have retired, haven't they?

The phone didn't ring, did it?

It was raining that day, wasn't it?

Your mother hadn't met him before, had she?

Exceptions in Forming Question Tags

Statements with Negative Adverbs

The adverbs **never, seldom, hardly, rarely, ...** have a negative sense. We treat statements with these words like negative statements, so the question tag is normally positive.

Example:

We have never seen that, have we?

मिशन SSC 2023

ENGLISH

We use the verb form aren't I when the subject is the first person singular.

Example:

I'm intelligent, aren't I?

Statements begin with Let's

We use shall we after sentences with Let's.

Example:

Let's take the next bus, shall we?

Let's go home, shall we?

Statements with Nobody/No one, Somebody/Someone, Everybody/Everyone as the subject

We use the pronoun they in question tags after statements with nobody/no one, somebody/someone, everybody/everyone as the subject.

Example:

Somebody wanted to borrow Jack's bike, didn't they?

Statements with Nothing/Something/Everything as the subject

When the subject is nothing/something, we use it in the tag question.

Example:

Something happened at Jack's house, didn't it?

मिशन SSC 2023

ENGLISH

Statements with This

When the subject is this, we use it in the tag question.

Example:

This will work, won't it?
