Religious life of people of Indus Valley civilization ma'am regarding the discovery of shiva pashupati seal as well as worship of nature prevalent those days ?

- the main object of worship was the Mother Goddess or Shakti.
- Many trees (peepal), animals (bull), birds (dove, pigeon) and stones were worshipped. Unicorns were also worshipped. However no temple has been found at that time.
- At Kalibangan and Lothal fire altars have been found.

- a yogic posture,
- This artefact is commonly recognized as the Pasupati Seal or Proto-Siva seal. It was excavated at Mohenjodaro within the Indus valley which is dated to approximately 2500 BC. Made of steatite, it is a rather small object measuring a mere 3.4cm in height, 3.4cm in length and 1.4 cm in width.
- animals - an elephant, a tiger, a rhinoceros, a man and a buffalo.
