अब **VOCAB** का डर जड़ से खत्म

BY NAMITA MAHENDRAS

LIVE | 07:30 PM

•Dermatology

- the branch of medicine dealing with the skin and its diseases

•Tautology

- When you employ a tautology, you needlessly and often unintentionally repeat a similar sense of one word when using other words to describe it, such as in the redundant phrases "free gift" or "usual custom."

•Epistemology

- Epistemology is the philosophical study of knowledge, including its limits, source, and nature.

• **Eschatology**

- Eschatology is the philosophical study of what happens after death; it can also pertain to religious doctrines concerning death and its aftermath.

• **Ontology**

- Ontology is a branch of philosophy that discusses such concepts as the very nature of reality, being, essence, and the ultimate entity that gives rise to existence.]

Thie, a Greek word

Meaning – God/Religion

• **Theist**

– ‘ist’ is follower, so theist is one who believes in
God

• **Atheist**

- A person who do not believe in God

• **Pantheist**

- Pan means that is all over, so the person who believes in all God across all religion is Pantheist

•Monotheist

_ Mono connotes one, so those who believe in one god are monotheists.
