## Judicial System in India

- The Constitution of India provides for a single integrated judicial system with the Supreme Court at the apex, High Courts at the middle (state) level and District Courts at the local level.
- It also provides for an independent and powerful judicial system.
- Judiciary in India acts as the guardian protector of the Constitution and the fundamental rights of the people.

# Types of Courts in India

There are 3 types of courts in India:-

## Judiciary

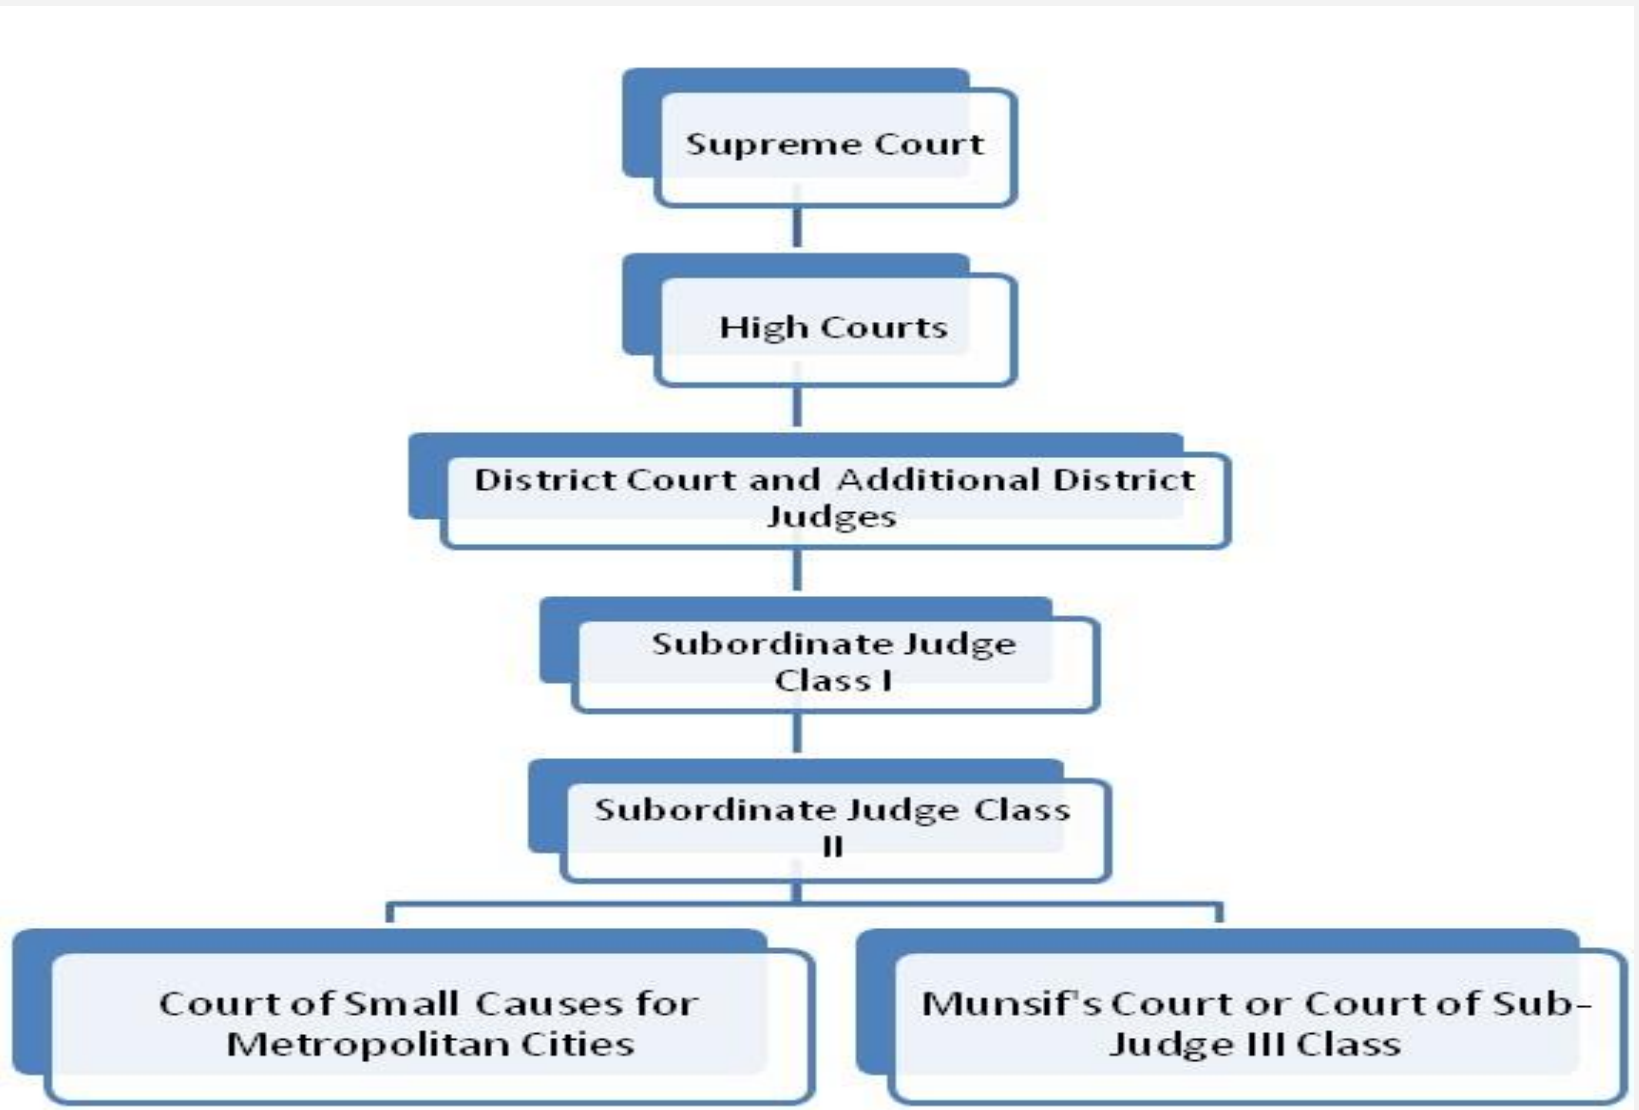

Supreme court

High court

District courts
